

Salax taberna uosque contubernaes,
a pilleatis nona fratribus pila,
solis putatis esse mentulas uobis,
solis licere, quidquid est puellarum,
5 confutuere et putare ceteros hircos?
an, continenter quod sedetis insulsi
centum an ducenti, non putatis ausurum
me una ducentos irrumare sessores?
atqui putate: namque totius uobis
10 frontem tabernae sopionibus scribam.
puella nam mi, quae meo sinu fugit,
amata tantum quantum amabitur nulla,
pro qua mihi sunt magna bella pugnata,
consedit istic. hanc boni beatique
15 omnes amatis, et quidem, quod indignum est,
omnes pusilli et semitarii moechi;
tu praeter omnes une de capillatis,
cuniculosae Celtiberiae fili,
Egnati, opaca quem bonum facit barba
20 et dens Hibera defricatus urina.
